DEDICATION

The class of 1980 leaves East Windsor High School with many fond memories.

Before we leave we would like to dedicate this yearbook to our parents who have encouraged us to make our dreams come true. We would also like to thank everyone who has helped us and cheered us along the way.

For our advisors, Miss Kleszczewski and Mr. Gagliardi, we have many thanks for their four years of devotion to our class.

We will always remember the good times that we've had and all the friends we've made here at East Windsor High School.

Let each one of us be free; for it is here that we will find our destiny,

CLASS SONG

Comes A Time

Comes a time, when you're drifting,
Comes a time, when you settle down,
Comes a light, feelings lifting,
Lift that baby right off the ground.

(Chorus)

Oh, this old world keeps spinning round.
It's a wonder tall trees ain't laying down.
There comes a time.

You and I, we were captured.
We took our souls and we flew away.
We were right, we were giving,
That's how we kept what we gave away.

(Chorus)

Oh, this old world keeps spinning round.
It's a wonder tall trees ain't laying down.
There comes a time,
There comes a time,
Comes a time,
Comes a time,
Comes a time . . .

CLASS HISTORY

In the fall of 1976, we, the class of '80 assembled at the dock with our luggage, ready to board the ship for our four year cruise. As we boarded we met Admiral Philip Morton, and Master at Arms, Salvatore Saitta. They introduced us to our navigators Karen Kleszczewski and Richard Gagliardi who would guide us in our activities during the long cruise ahead.

After we had settled into the lowest deck on board, we picked four people to plan activities: Chief Petty Officer, Robin Weldon; Petty Officer, Liz Neville; Seaman, Denise Dollak; and Quartermaster, Diane Hambach.

Near the end of the fall we entered the ship-spirit competition, and took our theme as "Panthers hit the trail."

The rest of our first year passed quickly and in September of 1977, we were moved up to the next deck.

We picked four new people to plan our activities: Bill Kessler as Chief Petty Officer; David Pierce as Petty Officer; Donna Lemay as Seaman; and Katie Mickey as Quartermaster. They led us into our second ship-spirit competition. We predicted that the Panthers would storm to victory, but placed fourth.

To raise our spirits, the Admiral allowed us to sell candy to all the passengers on board. Not only did we raise our frowns to smiles, but we even made enough money to hold a picnic in June. We had the Admiral dock the ship at a recreation park and received our rings as souvenirs of the cruise. After a day of frisbee and softball, we weighed anchor and continued our cruise with only two years to go.

As we started our third year on board, we moved up to the next deck, and picked a new activities planning staff. Our Chief Petty Officer, Wendy Migneault; Petty Officer, Donald Grant; Seaman, Bernice Ziegler; and Quartermaster, Bill Kessler helped us pick our third ship-spirit theme. We thought that "Panthers would fly to victory" but instead, we went aground in third place.

Winter led to spring and as the days got longer our hearts throbbed with excitement. On May 10th we held a formal party on the Promenade deck of the ship. After a delicious dinner, we danced to the music of Deep Roots far into the night.

Before we knew it, it was September of our last year and we moved up to the senior deck of the ship.

We picked a new staff consisting of Chief Petty Officer, Wendy Migneault; Petty Officer, Donald Grant; Seaman, Denise Long; and Quartermaster, Bill Kessler.

We entered our last ship-spirit competition and predicted that Panthers would rise again.

We celebrated Christmas early, on December 8th. After a buffet dinner we danced to the sounds of Dime-Horse.

Spring came quickly, along with sunny skies and longer days. We took advantage of the weather by rowing over to High Meadows on May 28th. After a day of softball, swimming and horseback riding, we rowed back and continued our cruise with less than one month to go.

At last we saw our destination on the horizon. Each day brought us closer to port. We spent our last week packing and bidding farewell to the other passengers on board. Although we were happy to get off, we knew we would miss all our friends. Some of us had plans for another cruise and some of us would find work at port, but we knew we would cherish the memories we hold of our four year cruise.

Because the road was steep and long, and through a dark and lonely land. God set upon my lips a song and put a lantern in my hand. We're glad we've shared these years with you and hope the years to come bring joy and happiness.

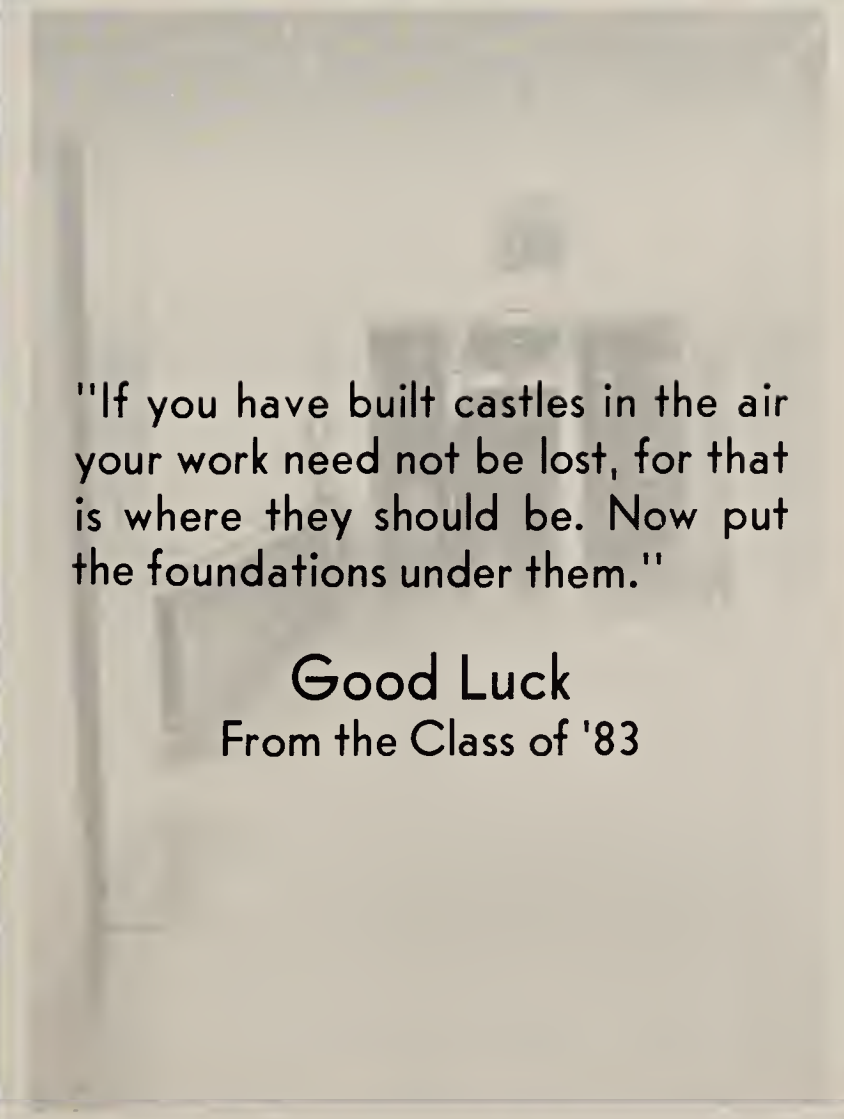

**Best Wishes,
Class of 1981**

"I will be there," said my friend
from a distant life. "Follow me,"
he sounded of dreams supreme.
"Follow me," drifting within the
glow and after-glow of the eve.

Jon Anderson

**Best Wishes,
Class of 1982**

your work need not be lost, for that
